Professional Summary

I am a soon-to-be BCA graduate (2025) with a solid foundation in full-stack development. During my internship at eWeblink Web Design and Development, I honed my skills in HTML, CSS, JavaScript, and WordPress. I have since expanded my expertise to include Node.js, Next.js, MongoDB, APIs, and SQL. I am eager to leverage this comprehensive skill set in a challenging role where I can continue to learn and grow as a developer.

Professional Experience

eWeblink Web Design and Development, [India, Delhi]

Web Development Intern

December 2021 – May 2022

- Developed and maintained web applications using HTML, CSS, JavaScript, and WordPress.
- Collaborated with the design team to enhance user interfaces and improve user experience.
- Implemented responsive design techniques to ensure website compatibility across various devices and browsers.
- Assisted in debugging and troubleshooting issues in web applications to optimize performance.
- Gained experience in client communication and project management.

Freelance Web Developer, Remote

Freelancer
